

Equiom

Welcome to Equiom

Equiom is a well-established, international professional services provider offering a range of innovative and effective business partnering solutions. We support corporations and high-net-worth individuals around the world with their fiduciary and related support service needs.

Equiom's corporate services

For clients thinking of forming a company, who are concerned about the potential complexity that it involves, Equiom simplifies the process by helping them decide on the right jurisdiction and structure for their company.

Equiom's expertise has grown out of long-established firms and years of providing market-leading services - so we understand more than most the way that the corporate world works. Over the years, we have helped to incorporate and administer companies and foundations on behalf of a wide range of clients - ultimately protecting their interests.

Equiom

A partnership built on trust

We believe in building partnerships with our clients and intermediaries. Our structures are bespoke and can be provided in a number of jurisdictions. The choice of jurisdiction is driven by our clients' needs and the specific business advantages that the chosen location offers.
