

# Equiom

eBUSINESS

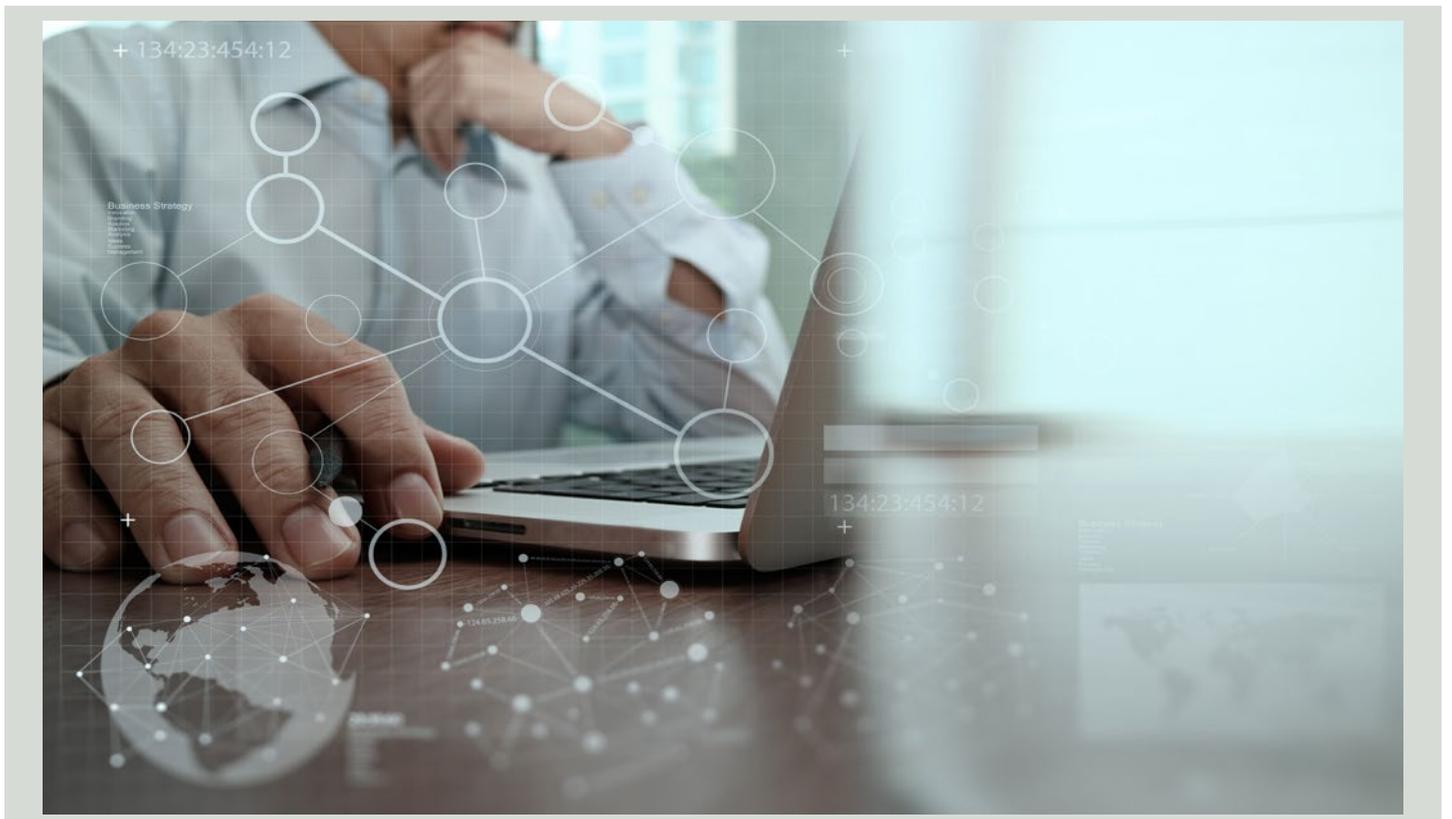

## Welcome to Equiom

Equiom is a well-established, international professional services provider offering a range of innovative and effective business partnering solutions. We support corporations and high-net-worth individuals around the world with their fiduciary and related support service needs.

## Equiom's eBusiness services

eBusiness is a fast-moving sector where rapid innovation and exciting new business models are constantly being formed and evolved. It is a digital arena where we interact with each other, with our clients and with the world.

Equiom's practical experience and expert understanding is highly valued by established and successful eBusiness clients across the world. Over the years, our team's insight into regulatory requirements and compliant corporate structures has become an invaluable resource for many eBusiness clients. Whatever your eProposition may be, Equiom can guide you through the key decisions and facilitate your access to a world-class array of skills, experience and expertise.

## A partnership built on trust

We believe in building partnerships with our clients and intermediaries. eBusiness transcends national boundaries and presents fascinating opportunities in a truly global environment. We fully understand the challenges our clients face and, as a multi-jurisdictional business, we ensure that the choices of jurisdictions are driven by our clients' needs and the specific business advantages that the chosen locations offer.
