AVIATION

Welcome to Equiom

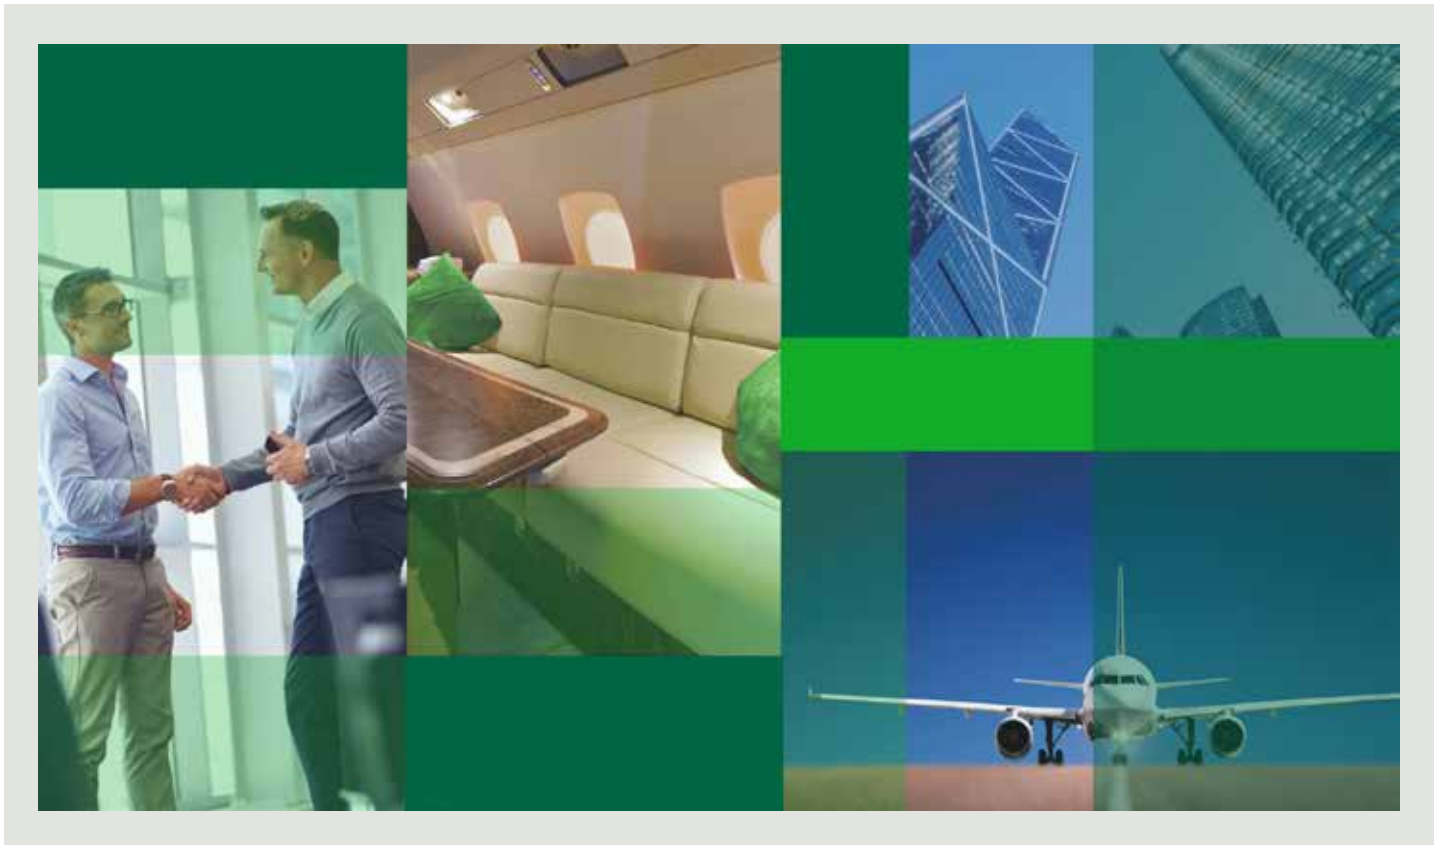

Equiom is a well-established, international professional services provider offering a range of innovative and effective business partnering solutions. We support corporations and high net worth individuals around the world with their fiduciary and related support service needs.

Equiom's aviation services

High-value investments demand high-level services.

Over the years, our proven expertise in aviation services has been greatly valued by a wide range of global clients. By working closely with these high-flying companies and individuals, Equiom has established a range of rigorous management structures that meet stringent technical requirements.

That is why all Equiom's aviation team members are carefully selected to ensure that client assets are managed and cared for by highly trained and experienced professionals.

A partnership built on trust

We believe in building partnerships with our clients and intermediaries. Our emphasis on client service and professionalism has won Equiom global recognition for its leading role in managing a diverse fleet of business jets and helicopters. Our structures are bespoke and can be provided in a number of jurisdictions. The choice of jurisdiction is driven by our clients' needs and the specific business advantages that the chosen location offers.
