REAL ESTATE

Welcome to Equiom

Equiom is a well-established, international professional services provider offering a range of innovative and effective business partnering solutions. We support corporations and high-net-worth individuals around the world with their fiduciary and related support service needs.

Equiom's real estate services

Urban, rural, commercial, industrial or prime residential real estate - we have the specialist knowledge and technical expertise to give real estate investments a solid foundation for growth.

We bring to the table a deep and sector-relevant understanding of effective corporate governance for real estate investment. We do this in a direct way by providing our clients with a team of professional and highly experienced directors and trustees who have worked with industry-leading partners for many years.

With their exacting governance, our experts help deliver the key knowledge and insights only gained from decades serving the real estate industry.

A partnership built on trust

We believe in building partnerships with our clients and intermediaries. Our structures are bespoke and can be provided in a number of jurisdictions. The choice of jurisdiction is driven by our clients' needs and the specific business advantages that the chosen location offers.
