# Welcome to Equiom

Whether you are an individual or a business, our team of experts can assist you with your fiduciary service needs, however complex. Our team in Singapore is well versed in the establishment and administration of Singapore or foreign law trusts and companies, tax compliance, legal and regulatory requirements, enabling you to meet your personal wealth management or business expansion goals in Asia.

We take time to get to know you, tailoring our services to your unique needs.

Our services include the set up of discretionary and settlor directed trusts, private trust companies, family office structures, pre-IPO and employee benefits trusts. We also specialise in the incorporation and ongoing administration of both Singapore and international companies to hold a wide range of assets including, but not limited to, financial assets, real estate, operating businesses, yachts and aircraft.

## Why choose Equiom?

- We are an award-winning business
- We provide a dedicated 'relationship lead'

## Why choose Singapore?

- World-class infrastructure, telecommunications and public services
- Top rated jurisdiction for ease of doing business
- Pragmatic and stable political environment based on the rule of law
- Low effective personal and corporate tax rates

# Trustee & Fiduciary Services

Over the years, we have earned an enviable reputation as leading professional trustees, dedicated to maintaining our clients' prosperity.

Our trust and fiduciary specialists identify the most appropriate trust structures to protect and enhance your private or corporate wealth and assets. We specialise in establishing private trusts, Singapore private trust companies, life insurance trusts, employee benefit trusts and standby trusts.

We guide you through the complexities of local laws and regulations to find the right solution for you, organising the initial establishment of a trust and administering it carefully to maximise the benefits. We ensure its legal and tax status is maintained and provide regular accounting and financial reporting.

We aim to give you more control over your assets today, and more confidence about your holdings tomorrow – helping ensure that your family, employees, or favoured charities are well looked after for years to come.
